

# WISDOM

OF MANIFESTING LIGHT
ON EARTH

The Great Lakes Retreat
Sunday, July 22 ~ Friday, July 27, 2018
Olivet College ~ Olivet, Michigan

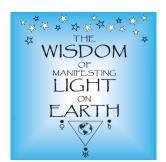

### **WELCOME**

### The Great Lakes Retreat

**We** invite you, seekers of all faiths, to gather for six days at The Great Lakes Retreat. Individuals with diverse experiences and beliefs come together to create a community of laughter, joy, and healing, where it is safe to explore and share who and what we are.

**Now** is the time for you to gather with other loving people of similar interests in your quest for spiritual development and fellowship. Come, relax, and experience The Wisdom of Manifesting Light on Earth. We are excited to offer you a week full of classes, lectures, workshops, meditations, healing experiences, and more.

**Please** study this brochure carefully and register as soon as possible to assure that you get the workshops and accommodations of your choice. Workshops are assigned on a first-come, first-serve basis. Some are limited in size, so send in your registration early. **The cut off date for mail-in registration is July 1, 2018.** 

Retreat Theme: The Wisdom of Manifesting Light on Earth: Every day, every hour, every minute ... we have a choice of how we are going to live in this world. What do we align our thoughts, our feelings, our emotions, and our actions with? There is so much chaos and change as we let go of the old and move into the energy of the Aquarian Age. Transformation is everywhere! The Wisdom of Manifesting Light on Earth is to embrace this change, and align ourselves with the flow of Light and work with these new energies. Using the spiritual gifts

of transformation we have learned over this and many other lifetimes, we can join together and create a world of Love, Cooperation, and Peace. We can manifest the power of darkness ... or we can Manifest the Power of LIGHT, it is up to us!

2018 is a Universal 29/11 year. The # 11 is a Master Number Vibration with the qualities of a Visionary. It is imbued with idealism, and guided by intuition and revelation. The #11 energy challenges us to release our old, out-dated ideas in preparation for creating the future. In Esoteric Numerology, the 29/11 is symbolized by the Three of Wands in the Tarot. The Wands represent Spiritual Power ... the ability to tune into our true inner powers, and bring them out into the Light and test them in the world of form. The Three of Wands is asking us to change our thought process ... and make this power available.

Astrologically, we will be under a Grand Trine this year. In mid-July the planets Venus, Saturn, and Uranus will all be in Earth signs, and an Earth trine creates the ability to manifest and create an easy flow of energy. Venus in Virgo values organization and work, Saturn in Capricorn, ancient knowledge, and Uranus in Taurus, manifesting the future. The combination of these energies will help to create balance and order, and make ancient wisdom available to us this summer ... as we gather together at Olivet College! We invite you to join us for this wonderful week at The Great Lakes Retreat, as we work with the amazing energy of: The Wisdom of Manifesting Light on Earth ~ Cindy Berry-Addis (Many thanks to Joelene Von Koenig for her Astrological insights)

### P.M. WEEK LONG WORKSHOPS (3:15 - 5:15)

#7 Aura Awareness: How to Protect Your Energy Field
Ken Bede Southfield, MI

We all live in an electrical universe. There is a unifying field underneath everything. We are separated by a physical plane, but we are all connected through this spiritual grid. This is important for us to understand, not only for life, but for any kind of physical

and spiritual progress you can ever hope to make. Your aura is like a fingerprint; it is completely unique and represents precisely who you really are. However, if your aura is riddled with imperfections, you are unlikely to achieve your most important goals in life. Your aura defines your past, your present, and your future. In this class, we will discuss the importance of a cleansed aura and removing those imperfections that surround us. The results will be life changing!

**Kenneth Bede** (www.aura-illumination.com) is a certified medium and ordained minister through the Indiana Association of Spiritualists. Over the last 20 years, he has attended a wide variety of classes and workshops, as well as lecturing and teaching aura and chakra awareness. He also owns and operates Aura Illumination, providing detailed aura readings. A soul reading consists of many facets in your current life. During a session, he taps into your energy and sees what you need in the current moment, based on what is happening now in your life.

#8 Sacred Challenges - The Fire Emotions
Adrianna Lesniak Lum, MI

Learn to understand and work with ANGER, GRIEF, and FEAR using your Angelic team. Using the Triad, we will explore the darker emotions and how to channel our Masters, Guides, and Teachers to provide comfort, and bring clarity and light into these highly emotional vibrations. We will explore and exlpain the

necessity of the "Fire Emotions." There is "always" a price to pay when you lose control, whether you know it or not. This will be a process of conditioning the mind to "accept" these emotions and make changes in the way we relate to Anger, Grief, and Fear in ourselves and others. We need to be aware that there is compassion at the end of the tunnel when we experience these emotions. Processing them removes the darkness so that we may see the Light. Not dealing with the Anger, Grief, and Fear causes depression. Adrianna Lesniak, is a third-generation psychic Medium. In her family, being psychic is normal. From childhood, she has been channeling a sacred symbol which she uses for healing and connection energies: Sacred Triad. Adrianna has been a featured speaker and presenter at churches, colleges, retreats, and expos. She is heard around the world on her Blog Talk Radio Show: "Adrianna's Psychic Sampler" and "Hot Topics with a Dash of Spirit," Adrianna is a Sacred Triad Practioner, a Natural medium, life coach, Reiki Practioner, author, wife, and mother! She continues to study the Ancient Tetragrammaton that has brought so much light and love into the world.
